

## InspectTest (Private) Limited

Doc. No: INSP/HAL/02/02  
Rev. No: 00  
Issue Date: 20-04-2021

### Impartiality Policy

InspectTest (Private) Limited understands the importance of impartiality in carrying out activities for the Halal Certification and effectively manages the potential conflict of interests and ensures complete objectivity for the Halal Certification activities. InspectTest has developed and implemented procedures in compliance with the requirements of Halal Standards.

- InspectTest identifies, analyzes and documents any possible conflict of interests that arise from certification processes including the established relations. If some relations create potential impartiality threats, InspectTest documents and eliminates such threats. It is necessary, in order to cover all possible source of conflict of interests' that are identified regardless of their origin". InspectTest requires all employees and contractors to comply with the impartiality rules as well as with all other procedures and requirements
- InspectTest shall not undertake any activity that could endanger the impartiality and/or represent a potential conflict of interests. In case where certain situations create unacceptable impartiality threat, the certification activity shall not be conducted
- InspectTest shall not certify another certification body for its activities related to Halal Management System Certification. InspectTest shall not allow in any way conducting activities that are conflict of interests such as advertising or providing management system consultant services. InspectTest shall take action to correct inappropriate claims by any consultancy organization stating or implying that certification would be simpler, easier, faster or less expensive if InspectTest were used. When potential impartiality threat arises InspectTest takes all possible measures to eliminate it
- InspectTest shall not certify organizations where InspectTest is a part of or it is a member. InspectTest shall not provide internal audits for its certified clients. InspectTest shall not provide certification services to a customer when relations between the consulting company and InspectTest could lead to impartiality threat. InspectTest does not receive directly or indirectly any financial support other than the charges of its services from the clients
- InspectTest does not pay any commissions to consultants therefore there can be no pressure exercised on InspectTest by consultants. InspectTest shall not allow any pressure from other certification bodies to influence the certification process in the organization. If other InspectTest declines to provide service for customer and the customer requests the same service from InspectTest, then InspectTest shall investigate the reasons for declining before performing any other certification activities for the respective customer. In all cases InspectTest shall not allow any pressure from partners and others if the client is in compliance with applicable documents and procedures
